January 1, 2020 may purchase Plans C, F, and high deductible F. This chart shows the benefits included in each of the standard Medicare supplement plans. Some plans may not be available. Every company must make Plan "A" available.

1 - Plans F and G also have a high deductible option which require first paying a plan deductible of \$2950 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible Plans F and G do not cover the separate Foreign travel emergency deductible. High deductible Plan G does not cover the Medicare Part B deductible. However, high deductible Plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

2 - Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

3 - Plan N pays 100% of the Part B coinsurance, except for a co-payment of up to \$20 for some office visits and up to a \$50 co-payment for emergency room visits that do not result in an inpatient admission.

♦ Medicare Select Plans G and N contain the same benefits as standardized Medicare Supplement Plans G and N, except for restrictions on your use of hospitals.

BASIC BENEFITS

Hospitalization – Part A coinsurance plus coverage for 365 additional days after Medicare benefits end.

Medical Expenses – Part B coinsurance (generally 20% of Medicare-approved expenses) or copayments for outpatient services. Plans K, L and N require insureds to pay a portion of Part B coinsurance or co-payments.

Blood – First three pints of blood each year.

Hospice – Part A coinsurance.

PREMIUM INFORMATION

We, UnitedHealthcare Insurance Company, can only raise your premium if we raise the premium for all plans like yours in the state of Florida.

Your Guide To AARP Medicare Supplement and Medicare Select Insurance Plans.

To help you choose your AARP Medicare Supplement or Medicare Select Plan, insured by UnitedHealthcare Insurance Company (UnitedHealthcare), to best meet your needs and budget, be sure to look at the information shown in this Guide and the other documents that show the expenses that Medicare pays, the benefits each Plan pays and the costs you will have to pay yourself. Also, be sure to review the Monthly Premium information. **Benefits and cost vary depending upon the Plan selected.**

Eligibility to Apply

To be eligible to apply, you must be an AARP member or spouse of a member, age 50 or older, enrolled in both Part A and Part B of Medicare, and not duplicating any Medicare Supplement coverage.

Guaranteed Acceptance

- Your acceptance in any plan for which you're eligible to enroll is guaranteed during your **Medicare Supplement Open Enrollment Period** which lasts for 6 months beginning with the first day of the month in which you are both age 65 or older and enrolled in Medicare Part B. Also, there is a **2-month open enrollment period** after the loss of group health insurance coverage. Applicants with a **65th birthday or a Medicare Part A Effective Date prior to 1/1/2020** may apply for Plans A, B, C, F, G, K, L, N, High Deductible G, or, if available in your area, Medicare Select G or Medicare Select N. Applicants with a **65th birthday and a Medicare Part A Effective Date on or after 1/1/2020** may apply for Plans A, B, G, K, L, N, High Deductible G, or, if available in your area, Medicare Select G or Medicare Select N. **Proof of loss of the group health insurance coverage must be submitted with the Application Form.**
- If you are age 50-64 and are eligible for Medicare due to disability or End-Stage Renal Disease, your acceptance in any plan is guaranteed during your Medicare Supplement open enrollment period which is the first 6 months you are enrolled in Medicare Part B, unless you are entitled to one of the following Guaranteed Issue situations.
- Also, you may have a guaranteed issue right to enroll in a Medicare Supplement plan in certain situations. Some examples:
 - you have a specific type of health insurance coverage that changes in some way, such as a loss of the health insurance coverage, or
 - you enrolled with a "trial right" to try a Medicare Advantage Plan but change your mind and want to switch back to a Medicare Supplement plan during the trial period.

If you have a guaranteed issue right, you must provide proof of your prior plan if you are replacing coverage, or provide a copy of the notice, disenrollment letter or other documentation you received if you lost or are losing coverage. Your Application Form must be received no more than 63 days after the termination date of your prior coverage. The documentation should include the type of coverage being lost or replaced, the termination reason, the termination date and the name of the person(s) who lost, is losing, or is replacing coverage.

If you have questions about guaranteed issue rights, please see *The Guide to Health Insurance for People with Medicare*, which can be found at www.medicare.gov/publications. You may also want to contact the administrator of your prior health insurance plan or your local state department on aging.

- Any stay which begins, or medical expenses you incur, during the first 3 months after your effective date will not be considered if due to a pre-existing condition. A pre-existing condition is a condition for which medical advice was given or treatment was recommended by or received from a physician within 3 months prior to your plan's effective date.

The following individuals are entitled to a waiver of this pre-existing condition exclusion:

1. Individuals who are replacing prior creditable coverage within 63 days after termination; or
2. Individuals who are turning age 65 and whose application form is received within six (6) months after they turn 65 AND are enrolled in Medicare Part B; or
3. Individuals who are entitled to Guaranteed Issue; or
4. Individuals who have been covered under other health insurance coverage within the last 63 days and have enrolled in Medicare Part B within the last 6 months.

Other exclusions may apply; however, in no event will your plan contain coverage limitations or exclusions for the Medicare Eligible Expenses that are more restrictive than those of Medicare. Benefits and exclusions paid by your plan will automatically change when Medicare's requirements change.

Medicare Select Disclosure Statement – If You Are Applying for an AARP Medicare Select Plan

Please read this information carefully. The following information is provided in order to make a full and fair disclosure to you of the provisions, restrictions, and limitations of the AARP Medicare Select Plan.

Medicare Select Provider Restrictions

In order for benefits to be payable under this insurance plan, you must use one of the select hospitals located throughout the United States, unless:

(1) there is a Medical Emergency; (2) covered services are not available from any select hospital in the Service Area; or (3) covered services are received from a Medicare-approved non-select hospital more than 100 miles from your Primary Residence.

In the case of (3) above, the following benefits may be payable subject to the terms and conditions of this plan:

- 75% of the Part A Medicare Inpatient Hospital Deductible amount per Benefit Period; and
- 75% of the Part A Medicare Eligible Expenses not paid by Medicare.

Only certain hospitals are network providers under this policy. Check with your physician to determine if he or she has admitting privileges at the Network Hospital. If he or she does not, you may be required to use another physician at the time of hospitalization or you will be required to pay for all expenses.

Right to Replace Your Medicare Select Plan

You have the right to replace your AARP Medicare Select Plan with any other AARP Medicare Supplement Plan, insured by UnitedHealthcare, that has the same or lesser benefits as your current insurance and which does not require the use of participating providers, without providing evidence of insurability.

Quality Assurance

Participating providers are required to maintain a quality assurance program conforming with nationally recognized quality of care standards.

For Your Protection, Please Be Aware of the Following:

You Cannot Be Singled Out for Cancellation

Your AARP Medicare Supplement or Medicare Select Plan cannot be canceled because of your age, your health, or the number of claims you make. Your AARP Medicare Supplement or Medicare Select Plan may be canceled due to nonpayment of premium or material misrepresentation. If your group policy terminates and is not replaced by another group policy providing the same type of coverage, you may convert your AARP Medicare Supplement or Medicare Select Plan to an individual Medicare Supplement policy issued by UnitedHealthcare. Of course, you may cancel your AARP Medicare Supplement or Medicare Select Plan any time you wish. Any premium for days after the date of cancellation or death will be refunded.

Participating Hospitals listed in this directory are subject to change. For health systems with multiple hospitals, all locations may not participate. Check with your doctor to make sure he or she has admitting privileges at a network hospital. Prior to scheduling any inpatient hospital service, it is recommended you call UnitedHealthcare Customer Service at 1-800-523-5800, TTY 711, weekdays from 7 a.m. to 11 p.m. and Saturdays from 9 a.m. to 5 p.m. Eastern Time for a current listing of participating hospitals in your area. You may also call this number to obtain a directory of participating hospitals for other areas when you will be traveling.

All participating hospitals are open 24 hours a day, 7 days a week.

Network changes will be communicated annually to insureds impacted by hospitals who no longer participate. Coverage will remain until insured is notified in writing.

Your Medicare Select policy will only pay full supplemental benefits if covered services are obtained through specified participating hospitals. Medicare Select policies deny payment or pay less than the full benefit if you use a non-participating hospital for non-emergency services.

8 Your past and current coverage

Review the statements.

- You do not need more than one Medicare supplement policy.
- If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
- You may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
- If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing Medicaid eligibility.
- If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

If you lost or are losing other health insurance coverage and received a notice from your prior insurer saying you were eligible for guaranteed issue of a Medicare supplement insurance policy, or that you had certain rights to buy such a policy, you may be guaranteed acceptance in one or more of our Medicare supplement plans. Please include a copy of the notice from your prior insurer with your Enrollment Form.

**NOTICE TO APPLICANT REGARDING REPLACEMENT OF
MEDICARE SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE
UNITEDHEALTHCARE INSURANCE COMPANY**

Hartford, Connecticut

Save this notice! It may be important to you in the future

According to the information you furnished, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a policy to be issued by UnitedHealthcare Insurance Company. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

Statement To Applicant By Issuer, Agent, Broker Or Other Representative:

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement policy or leave your Medicare Advantage plan. The replacement policy is being purchased for one of the following reasons (check one):

- | | |
|--|--|
| ☐ Additional benefits. | ☐ Disenrollment from a Medicare Advantage plan.
Please explain reason for Disenrollment. |
| ☐ No change in benefits, but lower premiums. | ☐ Other (Please Specify) _____ |
| ☐ Fewer benefits and lower premiums. | _____ |
| ☐ My plan has outpatient prescription drug coverage and I am enrolling in Part D. | _____ |

- | | |
|--|--|
| <p>1. Health conditions which you may presently have (Pre-existing conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.</p> <p>2. State law provides that your replacement policy or certificate may not contain new pre-existing conditions, waiting periods, elimination periods, or probationary periods. The insurer will waive any time periods applicable to pre-existing conditions, waiting periods, elimination periods, or probationary periods in the new policy (or coverage) for similar benefits to</p> | <p>the extent such time was spent (depleted) under the original policy.</p> <p>3. If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.</p> |
|--|--|

Do not cancel your present policy until you have received your new policy and are sure that you want to keep it.
