

Your Guide To AARP Medicare Supplement and Medicare Select Insurance Plans.

To help you choose your AARP Medicare Supplement or Medicare Select Plan, insured by UnitedHealthcare Insurance Company (UnitedHealthcare), to best meet your needs and budget, be sure to look at the information shown in this Guide and the other documents that show the expenses that Medicare pays, the benefits each Plan pays and the costs you will have to pay yourself. Also, be sure to review the Monthly Premium information. **Benefits and cost vary depending upon the Plan selected.**

Eligibility to Apply

To be eligible to apply, you must be an AARP member or spouse of a member, age 50 or older, enrolled in both Part A and Part B of Medicare, and not duplicating any Medicare Supplement coverage.

Guaranteed Acceptance

- Your acceptance in any plan for which you're eligible to enroll is guaranteed during your **Medicare Supplement Open Enrollment Period** which lasts for 6 months beginning with the first day of the month in which you are both age 65 or older and enrolled in Medicare Part B. Also, there is a **2-month open enrollment period** after the loss of group health insurance coverage. Applicants with a **65th birthday or a Medicare Part A Effective Date prior to 1/1/2020** may apply for Plans A, B, C, F, G, K, L, N, High Deductible G, or, if available in your area, Medicare Select G or Medicare Select N. Applicants with a **65th birthday and a Medicare Part A Effective Date on or after 1/1/2020** may apply for Plans A, B, G, K, L, N, High Deductible G, or, if available in your area, Medicare Select G or Medicare Select N. **Proof of loss of the group health insurance coverage must be submitted with the Application Form.**
- If you are age 50-64 and are eligible for Medicare due to disability or End-Stage Renal Disease, your acceptance in any plan is guaranteed during your Medicare Supplement open enrollment period which is the first 6 months you are enrolled in Medicare Part B, unless you are entitled to one of the following Guaranteed Issue situations.
- Also, you may have a guaranteed issue right to enroll in a Medicare Supplement plan in certain situations. Some examples:
 - you have a specific type of health insurance coverage that changes in some way, such as a loss of the health insurance coverage, or
 - you enrolled with a "trial right" to try a Medicare Advantage Plan but change your mind and want to switch back to a Medicare Supplement plan during the trial period.

If you have a guaranteed issue right, you must provide proof of your prior plan if you are replacing coverage, or provide a copy of the notice, disenrollment letter or other documentation you received if you lost or are losing coverage. Your Application Form must be received no more than 63 days after the termination date of your prior coverage. The documentation should include the type of coverage being lost or replaced, the termination reason, the termination date and the name of the person(s) who lost, is losing, or is replacing coverage.

If you have questions about guaranteed issue rights, please see *The Guide to Health Insurance for People with Medicare*, which can be found at www.medicare.gov/publications. You may also want to contact the administrator of your prior health insurance plan or your local state department on aging.
