8 Your past and current coverage

Review the statements.

- You do not need more than one Medicare supplement policy.
- If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
- You may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
- If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing Medicaid eligibility.
- If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

If you lost or are losing other health insurance coverage and received a notice from your prior insurer saying you were eligible for guaranteed issue of a Medicare supplement insurance policy, or that you had certain rights to buy such a policy, you may be guaranteed acceptance in one or more of our Medicare supplement plans. Please include a copy of the notice from your prior insurer with your Enrollment Form.

The Easiest Way to Pay

Enjoy the convenience of the EFT option. With EFT, your monthly payment will automatically be deducted from your checking or savings account. Also, you'll save \$2.00 a month -- or more.*

*Additional EFT savings may be available based on your enrollment in other eligible plans.

Benefits of the EFT service:

- You'll save on the cost of checks and rising postal rates.
- You don't have to take time to write a check each month.
- You don't have to worry about mailing a payment if you travel or become ill, because your payment is always deducted on or about the fifth day of each month.

Signing Up is Easy

Complete the Automatic Payment Authorization Form on the reverse side. Return it with the application and be sure to keep a copy for your records. Please be sure the information is clear, as it is required for processing your request for EFT. Please do not include a check. All that is required is the EFT Authorization details noted on the back.

Your EFT Start Date

- Recurring monthly EFT withdrawals will occur on or about the fifth of each month. EFT will usually begin the same month your plan is effective. If your enrollment application is accepted at the end of the month and your plan is effective the next month, there may be a processing delay in starting your EFT. In that case, EFT will start the month after your plan is effective, and your account statement will explain how to make a payment until your EFT starts.
- If this EFT form is received and processed after your application is accepted, the start date of EFT is based on the date your EFT form is processed and whether your plan has started or is effective in the future. EFT will usually begin the month after your EFT form is processed but could start the following month. If your coverage is effective two or more months in the future, EFT will begin the same month your plan is effective. The amount and date of the first EFT withdrawal will be shown on your account statement. If any payment is due before your EFT starts, use the coupon on the account statement which will explain how to make a payment.

I also allow the named banking facility (BANK) to charge such withdrawals to this account.

Monthly withdrawal amounts will be for the individual's payment due each month. This authority is active until UnitedHealthcare and the BANK receive notice from me to end withdrawals in enough time to give UnitedHealthcare and the BANK a reasonable opportunity to act on it. I have the right to stop payment of a withdrawal by giving notice to the BANK in such time as to give the BANK a reasonable opportunity to act upon it. I understand such action may make the health care insurance coverage past due and subject to cancellation.

Take advantage of the Electronic Funds Transfer (EFT) service!

The Easiest Way to Pay

Enjoy the convenience of the EFT option. With EFT, your monthly payment will automatically be deducted from your checking or savings account. Also, you'll save \$2.00 a month -- or more.*

*Additional EFT savings may be available based on your enrollment in other eligible plans.

Benefits of the EFT service:

- You'll save on the cost of checks and rising postal rates.
- You don't have to take time to write a check each month.
- You don't have to worry about mailing a payment if you travel or become ill, because your payment is always deducted on or about the fifth day of each month.

Signing Up is Easy

Complete the Automatic Payment Authorization Form on the reverse side. Return it with the application and be sure to keep a copy for your records. Please be sure the information is clear, as it is required for processing your request for EFT. Please do not include a check. All that is required is the EFT Authorization details noted on the back.

Your EFT Start Date

- Recurring monthly EFT withdrawals will occur on or about the fifth of each month. EFT will usually begin the same month your plan is effective. If your enrollment application is accepted at the end of the month and your plan is effective the next month, there may be a processing delay in starting your EFT. In that case, EFT will start the month after your plan is effective, and your account statement will explain how to make a payment until your EFT starts.
- If this EFT form is received and processed after your application is accepted, the start date of EFT is based on the date your EFT form is processed and whether your plan has started or is effective in the future. EFT will usually begin the month after your EFT form is processed but could start the following month. If your coverage is effective two or more months in the future, EFT will begin the same month your plan is effective. The amount and date of the first EFT withdrawal will be shown on your account statement. If any payment is due before your EFT starts, use the coupon on the account statement which will explain how to make a payment.

**NOTICE TO APPLICANT REGARDING REPLACEMENT OF
MEDICARE SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE
UNITEDHEALTHCARE INSURANCE COMPANY**

Hartford, Connecticut

Save this notice! It may be important to you in the future

According to the information you furnished, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a policy to be issued by UnitedHealthcare Insurance Company. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

Statement To Applicant By Issuer, Agent, Broker Or Other Representative:

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement policy or leave your Medicare Advantage plan. The replacement policy is being purchased for one of the following reasons (check one):

| 2. State law provides that your replacement policy or certificate may not contain new pre-existing conditions, waiting periods, elimination periods, or probationary periods. The insurer will waive any time periods applicable to pre-existing conditions, waiting periods, elimination periods, or probationary periods in the new policy (or coverage) for similar benefits to | 3. If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded. |

Do not cancel your present policy until you have received your new policy and are sure that you want to keep it.
